THE HAND RAISE PROMPT BUILDER

1

AVATAR | Who is this for?

PAIN | What problem do they want fixed?

QUICK WIN | What result can they get in 72 hours?

ASSET | What should AI Create?

HAND RAISE | What action should they take?

OUR MISSION

HELP SOLOPRENEURS SCALE WITH SYSTEMS.

PROMPT

Create a [ASSET TYPE] for [AVATAR] who are struggling with [PAIN POINT].

The goal is to help them achieve [QUICK WIN] within the next 24–72 hours.

Make it simple, actionable, and easy to complete.

The asset should help them take immediate action and experience a small result as quickly as possible.

Include:

- A short introduction explaining the problem
- Step-by-step instructions
- A simple action plan
- A quick-win outcome they can achieve within 24–72 hours

End with a call-to-action that encourages them to [HAND RAISE ACTION].
